THE SMALL INVESTOR IS EASY

mark for the wind-and-water peddler. Those who work hard to earn, and deny to save, think that because their money comes slow and hard, and in small sums, that they must get big interest, so they magnify the interest rate and minimize the risk and go in and lose. It is easier to peddle wind and water than insurance, and it is wind and water that insurance has to compete with. You save the money, therefore take your choice. 50th year, doing business in 38 states.

Baltimore Fire Still Burning.

The great Baltimore fire of Feb. 7 and 8 has not yet been extinguished. In the ruins of the junk establishment of N. Frank & Sons there is a huge mound of burlap bags, and, although thousands of tons of water have been poured over it and the rains of months have descended upon it, it continues to break into flame nearly every hot or sunshiny day. At the ruins of the seed establishment of J. Bolkanio & Sons a great pile of grain continues to burn, and the heat from it has thus far prevented building operations.

The Eye in Death.

The retina becomes of a pale white color soon after death, and the pellucid fluid in the cornea, which does not exude in the living state, but is constantly absorbed and renewed, oozes out gradually after or a short time before death and forms that obscure film before the cornea which destroys its transparency.

Lightning and Forests.

Lightning seldom strikes in a forest where the trees are dense and of about the same height. Danger exists only where isolated trees rise above their surroundings.

MUST BELIEVE IT

When Well-Known Barre People Tell It So Plainly.

When public endorsement is made by a representative citizen of Barre the proof is positive. You must believe it. Read this testimony. Every backache sufferer, every man, woman or child with any kidney trouble will find profit in the reading.

C. A. Churchill, contractor and builder, residence 40 Merchant street, says: "I gave an endorsement for publication in our Barre papers in the winter of 1897, which stated that Doan's Kidney Pills, sold at E. A. Brown's drug store, had acted with me as represented, and I recommended them to any resident needing a remedy for his kidneys. Since that time I have had no reason to change my opinion and you are welcome to again use my original endorsement so that others may know what to do if annoyed with a steady pain across the back like I had for two years—one that prevented me from remaining in any position for any length of time, which was always noticeable in the morning and caused me annoyance to dress myself, for which I used physicians' treatments and a great many medicines, but never received any permanent benefit. I cannot remember whether I took two or three boxes, but this I know, I have never had occasion to use the preparation since."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name, Doan's, and take no other.
